

## CHRIS HEUBERGER / junior web developer + designer

I've recently transitioned from a career in graphic design to web development and I am seeking an entry-level position as a junior full-stack web developer in an agile environment.

---

### EXPERIENCE

#### General Assembly / New York, NY

Web Development Immersive / April 2014 - July 2014

- completed a 12-week full-time development bootcamp that covers a broad range of topics, all with an emphasis on agile methodology

#### Art House Co-op / Brooklyn, NY

Curator/Manager, March 2011 - April 2014

- helped run various interactive, crowdsourced art projects, primarily *The Sketchbook Project*, a traveling exhibition of books from around the world
- oversaw web store and social media content for *The Brooklyn Art Library*
- maintained and curated our collection of over 30,000 sketchbooks
- designed brand and promotional materials for new projects and events
- coordinated events and served as press contact for special exhibitions

#### T Salon / New York, NY

Graphic Designer, October 2009 - March 2011

- served as art director and marketing director for a boutique tea company
- led our brand management as we expanded from New York to Los Angeles
- designed catalogs, custom labels, and promotional material
- maintained our website and designed email marketing materials
- created screen graphics and signage for retail locations and events

#### The Madison Design Group / Bethesda, MD

Graphic Designer, October 2005 - September 2009

- designed various materials for print and web such as identity systems, magazines, brochures, annual reports, invitations, e-newsletters and websites
- managed projects and oversaw production for corporate and non-profit clients

### EDUCATION

Virginia Tech / College of Architecture and Urban Studies / Blacksburg, VA

BFA in Graphic Design, Minor in Communication | Graduated May 2005
